

CLASSIC · STACKING & NESTING

Stacking & Nesting Egg

Item number 76000

A set of brightly coloured, egg-shaped cups that stack into a tower or nest inside each other. Babies build the tower biggest first, knock it over and start again, then discover how each cup fits into the next. In the bath, garden or at the beach the cups float, scoop and pour, and the different colours and textures give plenty to look at and feel. At home it plays in the living room, the bath or the garden; in a nursery or classroom it is made for group play.

KEY FEATURES

-  **Stack or nest**
Cups build into a tower or fit one inside another.
-  **Different textures**
Each cup has its own surface texture to feel and explore.
-  **Bright colours**
Distinct colours on every cup support early colour talk.
-  **Bath, garden or beach**
Floats, scoops and pours water or sand.

LEARNING & DEVELOPMENT

-  **Fine motor skills**
Placing one cup on or inside another builds control and grip.
-  **Sensory exploration**
Different colours and textures on each cup stimulate looking and touching.
-  **Water play**
Cups float, scoop and pour from one to another at bathtime.
-  **Problem solving**
Working out which cup fits inside which is an early size puzzle.

PRODUCT INFORMATION

Specifications from the TOLO product database

Age	6 months +
Item number	76000
UPC / EAN	019287760002
Contents	Stacking & Nesting Egg

Packaging dimensions	9.5 × 9 × 19 cm
Product weight	0.23 kg
Master carton	24 pcs · 40.2 × 29 × 40.2 cm · 0.047 m ³ · 7.5 kg gross

Sits alongside the Rainbow Stackers (76005) and Activity Stackers (76006) in the Classic Stacking & Nesting category.
