

CLASSIC · RATTLES & TEETHERS

Triangle Rattle

Item number 76002

A brightly coloured triangular rattle for babies from three months. The baby explores it in the hands and mouth, discovers that shaking it makes a noise, and repeats the action. Its open triangle shape gives several places for small fingers to hold on, so the child can move from being helped to grip it to rattling it independently.

KEY FEATURES

-  **Triangle shape**
Open triangular frame gives several places to hold.
-  **Rattling sound**
Shaking the rattle produces a noise that rewards the action.
-  **Bright colours**
Strong colours catch the eye of young babies.
-  **Nursery essential**
A simple first rattle suited to any nursery setting.

LEARNING & DEVELOPMENT

-  **Fine motor skills**
Gripping and holding the frame builds early hand control.
-  **Sound & rhythm**
The baby links the shaking movement to the rattling noise.
-  **Sensory exploration**
Colour, shape and sound give the senses plenty to discover.

PRODUCT INFORMATION

Specifications from the TOLO product database

Age	3 months +
Item number	76002
UPC / EAN	019287760026
Contents	Triangle Rattle

Packaging dimensions	9 × 4.5 × 10 cm
