

CLASSIC · STACKING & NESTING

Rainbow Stackers

Item number 76005

A set of bright stacking cups in rainbow colours that build into a tower or nest inside one another. Babies stack biggest first, knock the tower down and rebuild; toddlers move on to filling, emptying, pouring water or sand and hiding an object under a cup. Useful in the bath, garden or beach, and a simple way to talk about colour, size, empty and full.

KEY FEATURES

-  **Stack or nest**
Cups build into a tower or fit one inside another.
-  **Rainbow colours**
Each cup a different colour for matching and naming.
-  **Different textures**
Varied surface textures give babies more to feel.
-  **Bath, garden or beach**
Scoop and pour water or sand, wet or dry.

LEARNING & DEVELOPMENT

-  **Colour recognition**
Adults name each colour as the child fills or stacks it.
-  **Water play**
Cups float, scoop and pour from one to another at bathtime.
-  **Fine motor skills**
Stacking and nesting the cups builds control and grip.
-  **Problem solving**
Ordering by size and finding a hidden object under a cup are early puzzles.

PRODUCT INFORMATION

Specifications from the TOLO product database

Age	6 months +
Item number	76005
UPC / EAN	019287760057
Contents	Rainbow Stackers

Packaging dimensions	9.5 × 9.5 × 15 cm
Product weight	0.23 kg
Master carton	24 pcs · 40.5 × 30.5 × 32.5 cm · 0.04 m ³ · 7.2 kg gross

Sits alongside the Stacking & Nesting Egg (76000) and Activity Stackers (76006) in the Classic Stacking & Nesting category.
