Classic Drum

Item number 76027

A double-sided drum for toddlers from eighteen months. The two sides separate so two children can drum at the same time, and two drumsticks clip into the sides for storage. The drum also rolls easily along the floor, so it can be pushed as well as played. Free play with beat and rhythm is the aim, whether tapping alone or drumming together.

KEY FEATURES

-  **Double sided**
Two drumming surfaces on one drum.
-  **Separates in two**
The two sides come apart so two children can play at once.
-  **Clip-in sticks**
Two drumsticks clip into the sides when not in use.
-  **Rolls along**
The drum rolls effortlessly, adding push-along play.

LEARNING & DEVELOPMENT

-  **Sound & rhythm**
Tapping with sticks or hands lets toddlers explore beat, tempo and volume.
-  **Social interaction**
Separating the drum into two halves lets a pair of children play together.
-  **Hand-eye coordination**
Aiming the sticks at the drum surface practises controlled striking.
-  **Movement & gross motor**
Rolling the drum along the floor encourages pushing and moving about.
