City Service Vehicles Set

Item number 76029

A display-box selection of service vehicles from the TOLO Classic Baby Vehicles series: aeroplane, helicopter, police car, fire engine and ambulance. Each is free wheeling with a driver's head that twists, safe for teething and built to withstand daily handling. Babies from six months push, roll and follow the vehicles, while adults name them and add sound effects to build early language.

KEY FEATURES

-  **Free wheeling**
Every vehicle rolls smoothly when pushed, so babies can chase and retrieve it.
-  **Twisting drivers**
Each driver's head twists round for early fine motor practice.
-  **Safe for teething**
All vehicles are suitable for mouthing by babies from six months.
-  **Display box**
Air and emergency vehicles supplied together in a display box.

LEARNING & DEVELOPMENT

-  **Fine motor skills**
Twisting the drivers' heads and gripping the vehicles exercise small hand movements.
-  **Movement & gross motor**
Following the rolling vehicles motivates reaching, crawling and moving across the floor.
-  **Language development**
Naming each vehicle, its colour and its sound builds early vocabulary.
-  **Social interaction**
Pushing vehicles back and forth creates simple turn-taking games between children and adults.
