Rabbit Carousel

Item number 76041

A carousel of characters that spins when the button on top is pushed down and released. Babies from six months press the button and watch the characters go round with a gentle sound and a smooth, long-running action. It is easy to grasp and hold, and gives adults an easy way to introduce words such as fast, slow, stop and start while watching together.

KEY FEATURES

-  **Push-button spin**
Push down and release the top button to set the characters spinning.
-  **Long-running action**
Smooth spin that keeps going after one press.
-  **Gentle sound**
A soft sound plays while the carousel spins.
-  **Easy to hold**
Shaped for small hands to grasp.

LEARNING & DEVELOPMENT

-  **Cause and effect**
One press of the button sets the whole carousel turning.
-  **Fine motor skills**
Pushing and releasing the button practises controlled hand pressure.
-  **Language development**
Watching the spin invites words like fast, slow, stop and start.
