First Friends Igloo Set

Item number 76055

The First Friends Igloo Set is a five-part magnetic puzzle that clips together to form a home for Polar Girl. The child assembles the igloo piece by piece, then sits Polar Girl on her chair inside with the Husky at the door. Building, taking apart and rebuilding develops dexterity and an understanding of cause and effect, while the finished igloo becomes the setting for polar stories.

KEY FEATURES

-  **Five-part magnetic puzzle**
Pieces clip together to form the igloo.
-  **Room inside**
Big enough to house Polar Girl and her chair.
-  **Polar Girl and Husky**
Character and dog included for play straight away.
-  **Take apart and rebuild**
Comes apart for repeated building.

LEARNING & DEVELOPMENT

-  **Problem solving**
Working out how the five pieces fit together to form the igloo.
-  **Fine motor skills**
Clipping magnetic pieces into place and seating the figure builds dexterity.
-  **Cause and effect**
Pieces pull together as they meet and come apart when pulled.
-  **Imaginative play**
A home where Polar Girl and the Husky live and welcome visitors.
