First Friends Boy

Item number **76076**

The First Friends Boy is a posable character figure for young children. The child turns the clicking head, arms and legs into a variety of poses, presses the tummy to hear it squeak and moves the hat around for different looks. Safe for teething and collectable, the Boy sits in every First Friends vehicle seat and building, so he becomes the child's companion across the whole play system.

KEY FEATURES

-  **Clicking limbs and head**
Head, arms and legs click into a variety of poses.
-  **Squeaking tummy**
Press the tummy to hear it squeak.
-  **Moveable hat**
The hat moves around for different looks.
-  **Safe for teething**
Made to be mouthed safely by younger children.

LEARNING & DEVELOPMENT

-  **Fine motor skills**
Posing the head, arms and legs and moving the hat works small hand movements.
-  **Cause and effect**
Clicks and a squeak follow every turn and press, so actions have clear results.
-  **Imaginative play**
A posable character who fits every First Friends vehicle and building leads pretend play.
-  **Language development**
Talking about the character, his clothes and actions builds vocabulary and questions.
